

# let's get **PERSONAL**

---

Africans would love to hear from YOU! Whether you are between ages 1 to 120, we have an opportunity for you to directly encourage a child or adult in Africa.

## **OPTION 1: Coloring**

Children in Malawi and Mozambique would treasure a creation made by you! Please color one of the attached pages with a Bible verse in Chichewa to remind them they are valued, loved and protected by our great God! To show the African children that this message of love and hope is for them, while coloring please keep in mind that most of the children have dark colored skin. Creations will be distributed to children by the Africa team this summer.

Moses coloring page Chichewa Bible verse: Psalm 139:14

Jesus birth coloring page Chichewa Bible verse: John 3:16

Jonah coloring page Chichewa Bible verse: Isaiah 41:10

Please mail you finished creation to:

## **OPTION 2: Writing**

Linda Limbe is the main point of contact for the mission work in Malawi and Mozambique. She teaches women in the church to read and write, holds conferences, maintains legal order, translates, and much more.

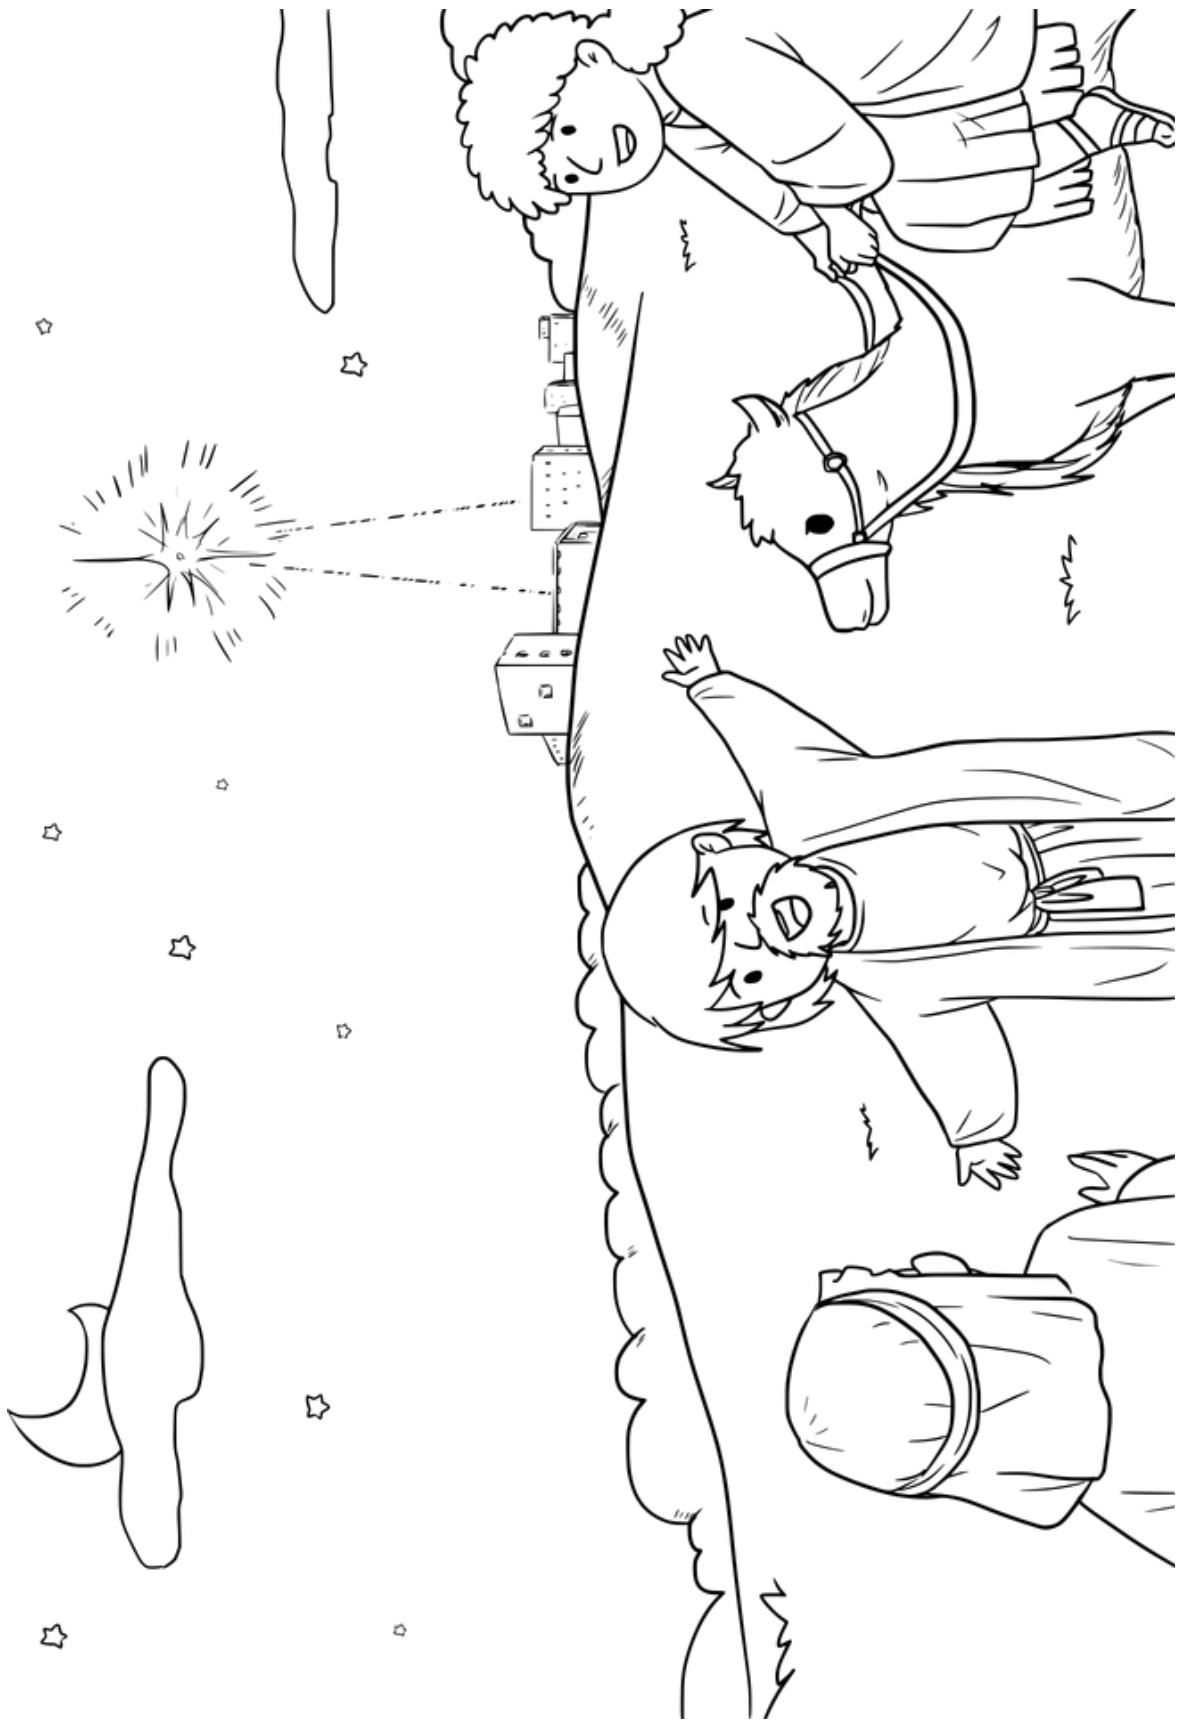

We invite you, your family, your Sunday School class or your church to write Linda a note of encouragement as she shepherds over 400 churches in Malawi and Mozambique. You may write and decorate your note any way you choose. Linda speaks English fluently, so please write in English. Notes will be delivered to Linda by the Africa team this summer.

Please mail your finished note to:
