MAKSIM & ULI

Left - Maksim; Right - Uli

Maksim, our main contact in Russia, has spent the past four months by Uli's side in Northern Siberia. Uli has a debilitating tumor in his brain which causes him to pass out and forget things. Maksim provides strength, love and encouragement for Uli and his daughter through these trials.

PASTOR AMOS

This May we rallied behind Amos and his family as men broke into his home and beat him. Praise God that Pastor Amos of Kilgoris, Kenya is back at work with a new set of teeth!

From May to September
"He heals the brokenhearted
and binds up their wounds"
-Psalm 147:3

PERU TRIP 2018

1 God

What a joy it is to be part of a family who love and worship the same God!

2 Cities & 2 Evangelistic Missions at local markets

We spent three days in Lima and four days in the mountains of Huánuco.

3 Meetings with church leadership

One of the most valued times is meeting with the leaders of the different churches.

4 Flights & 4 Mornings of VBS

We played games, shared Bible stories, hand-made crafts, ate snacks and sang songs in the park.

5 x 10 (=50!) Kids were taught at VBS

We started the VBS in Huánuco, Peru with six kids from the church, but we ended up teaching 50 children!

6 Full days of teaching & learning

Each day brought new joys and challenges.

7 Nights & 7 Baptisms!

Yes! SEVEN people declared Christ as their Savior!

8 Team members

Our team consisted of Rick McClain, Aaron Winner, Mackenzie McClain, Carey & Jenny Clark, Josiah & Amber Cain, and Alex Davila.

9 Church services

Often, the church services ended around 10PM!

PASTOR ALEX DAVILA

One of the greatest blessings of our recent Peru trip was to fellowship and learn from Alex Davila, a devout brother and church leader in Nicaragua. Among Alex's many skills, he speaks both Spanish and English fluently, which proved to be a major asset in preaching, teaching, catching cabs, and interpreting jokes between languages 😊.

Alex oversees four congregations that believe in the One True God. He is also a graphic designer, Christian radio talk-show host and website builder. Alex edifies and teaches the Lima congregation each Sunday through a live video chat.

November 16 - 25, Alex will be traveling to Peru to meet with the church members in Lima. They are eager to learn about church evangelism, doctrine and leadership.

KENYA HEADQUARTERS

The Kingdom Life Abrahamic Faith Ministries in Kenya is progressing! This building will be used for holding services, training pastors & hosting conferences.

THE LHI BOARD

We are excited to have Annette Osborn (Indiana) and Jim Cramer (Georgia) join the Lord's Harvest International Board! Their wisdom, enthusiasm and experience in missions will be a great asset to our team. The board will meet this December in Atlanta.
