# INSTRUCTIONS

Personalize this bulletin board any way you wish to fit the needs of your space! If the bulletin board isn't quite large enough, consider hanging the title banner above the board or removing the last few pictures and descriptions. If you do not have a bulletin board, consider making one for less than \$20 as our church did (tutorial I followed: <http://funcheaporfree.com/2013/05/diybulletinboardforcheap/>).

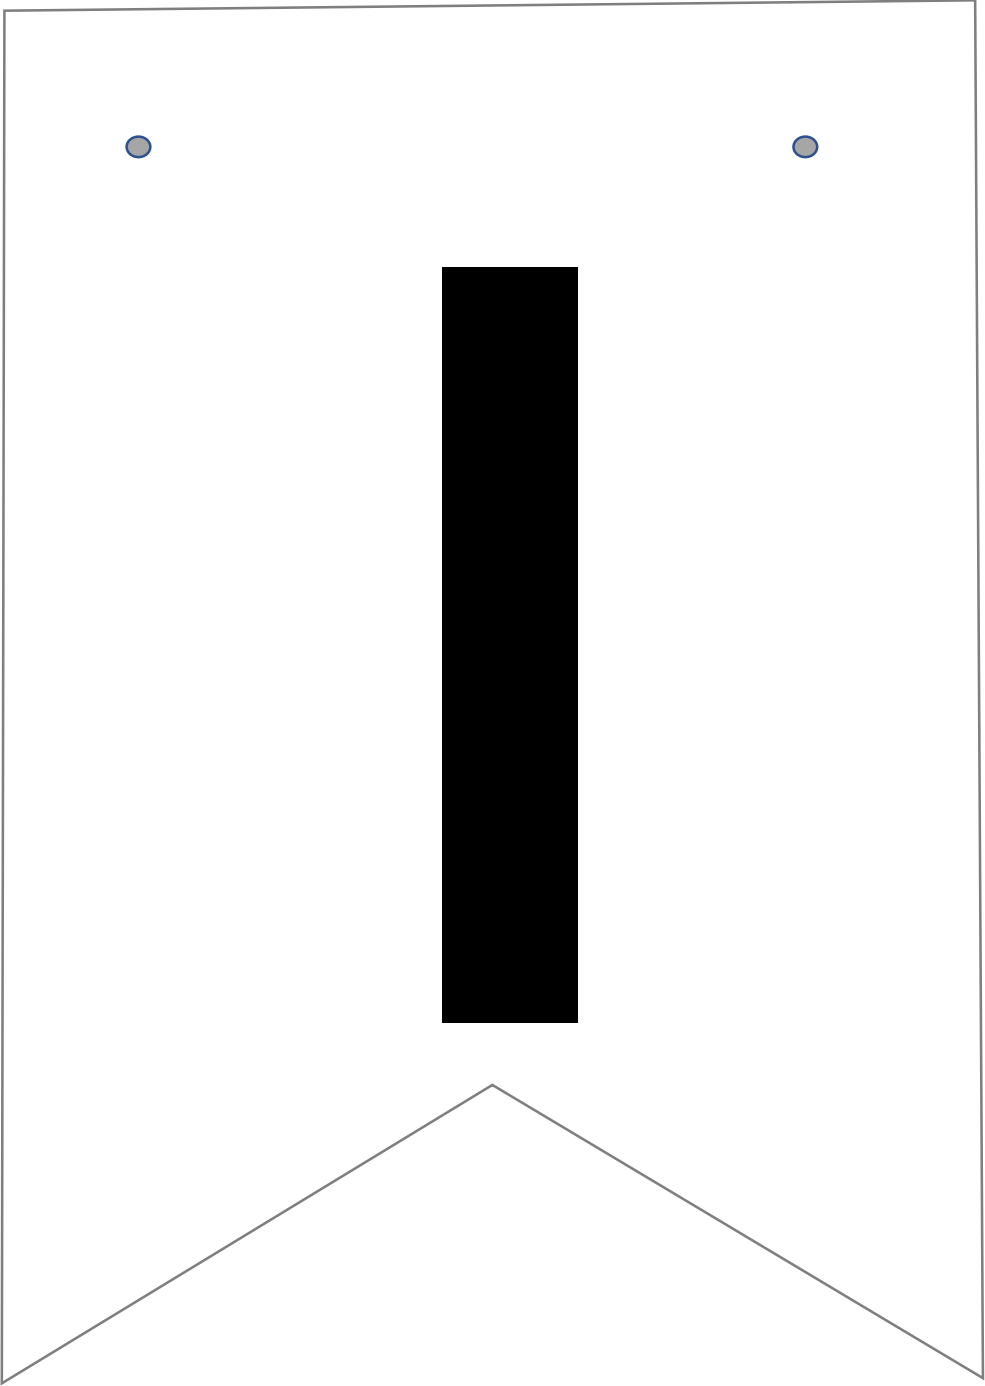

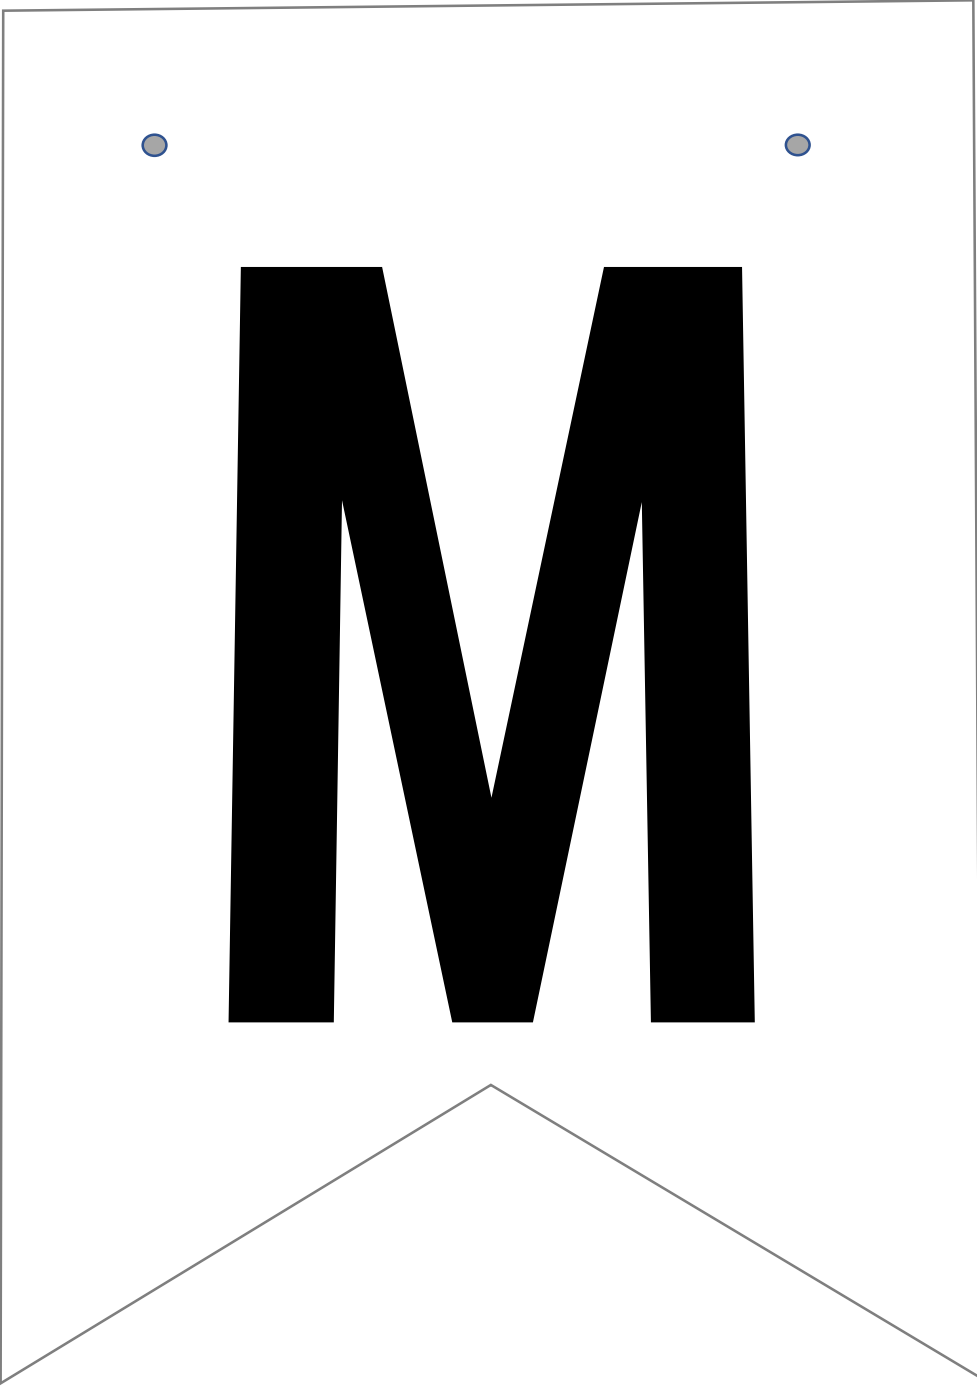

## MATERIALS:

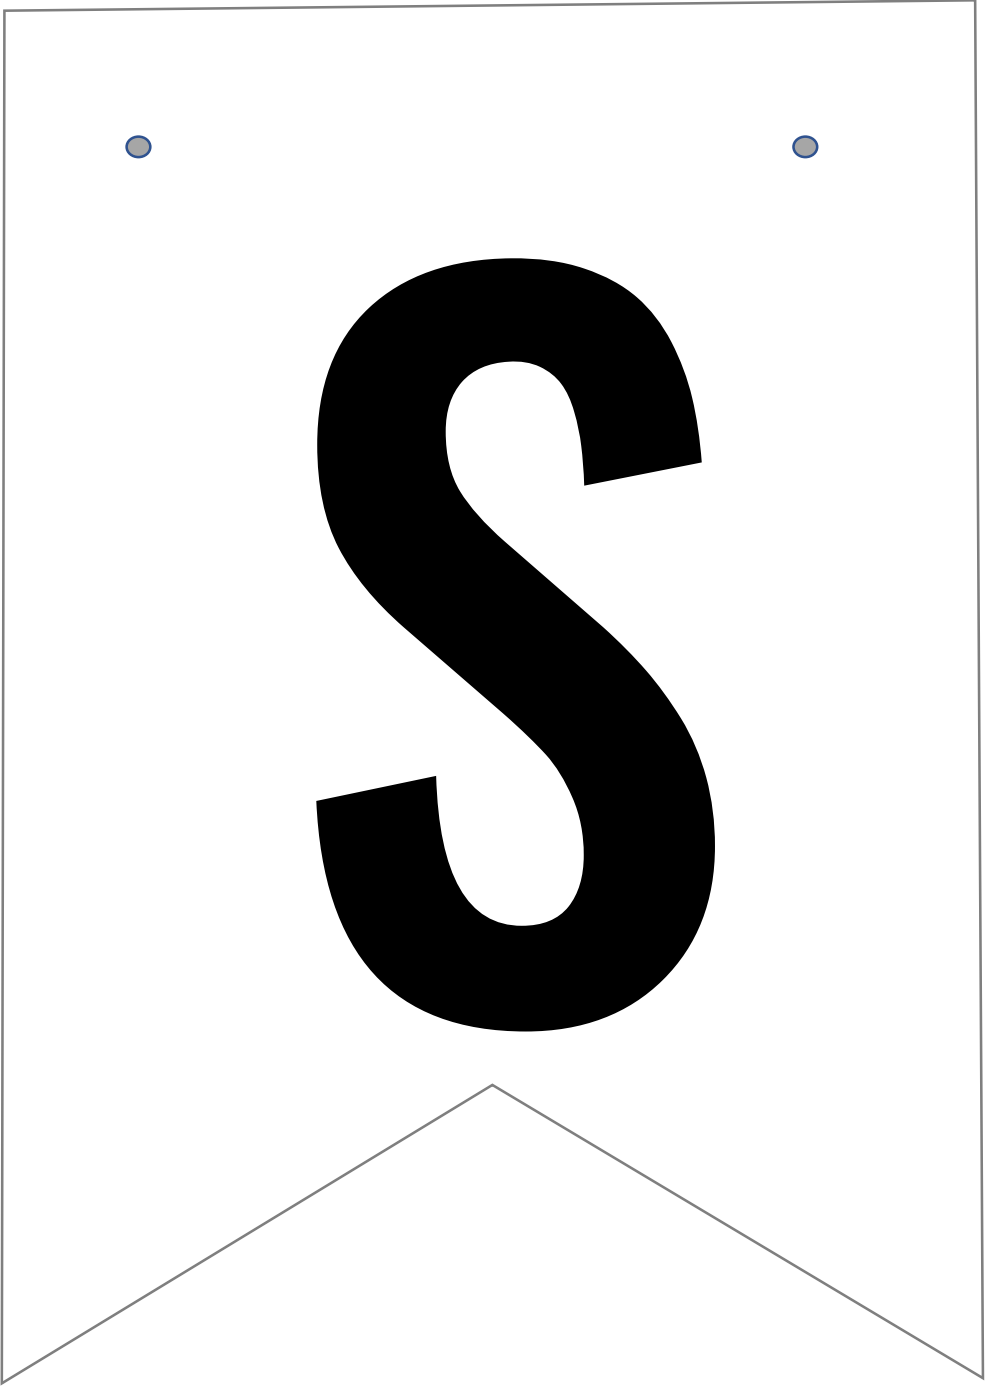

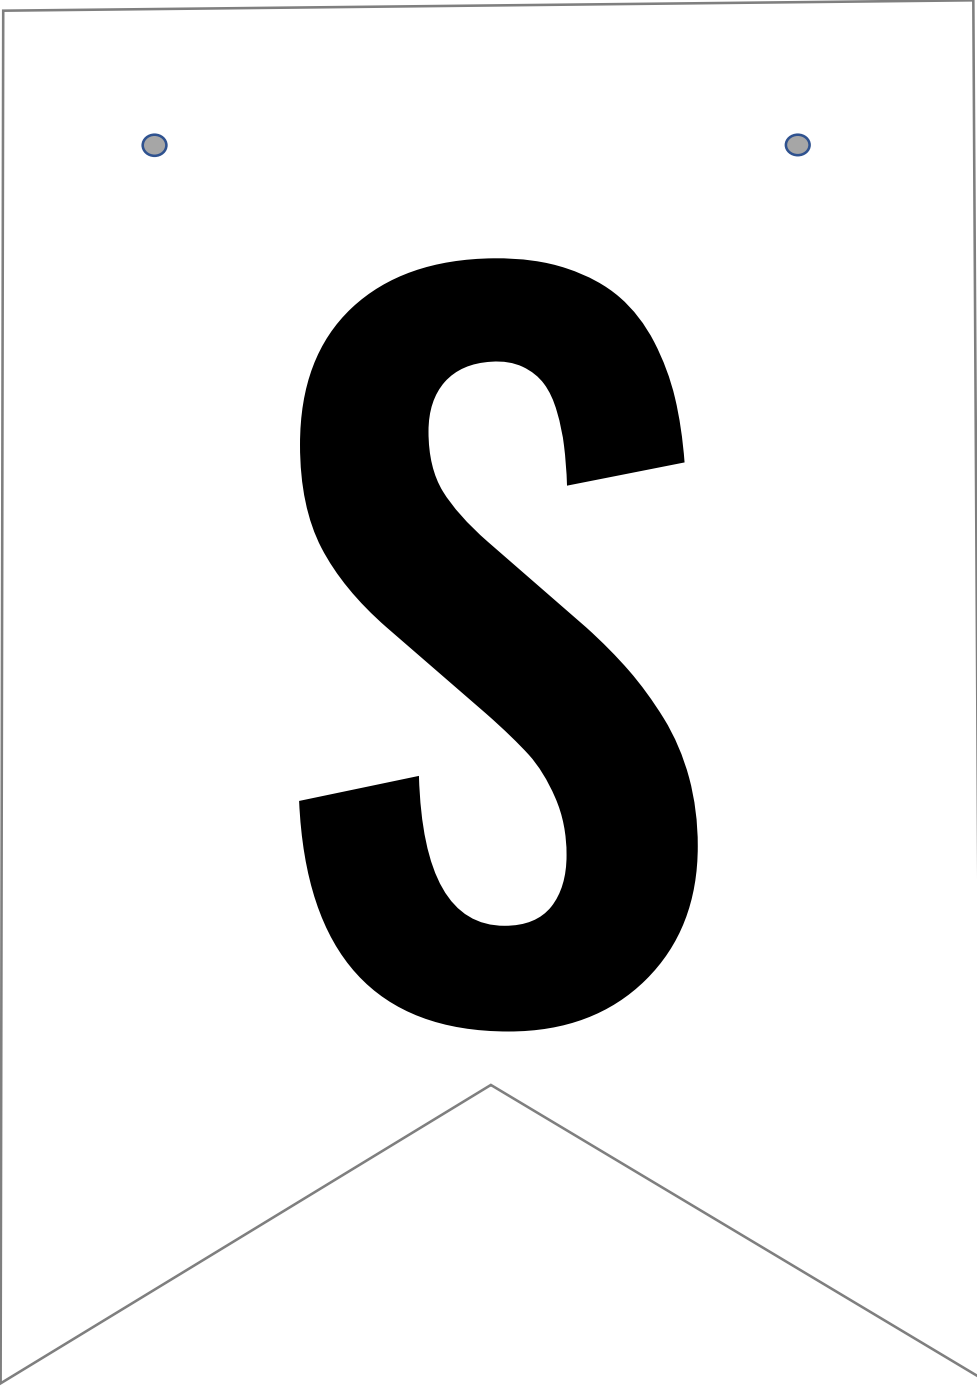

- Printer Access
- Paper cutter/ steady hand & pair of scissors
- Copy paper
- White cardstock paper (4 sheets)
- Bulletin board paper (I used kraft paper)
- Stapler & staples
- Ribbon or twine to hang banner
- Optional: Tacks, border ribbon, colored cardstock, washi tape, etc.

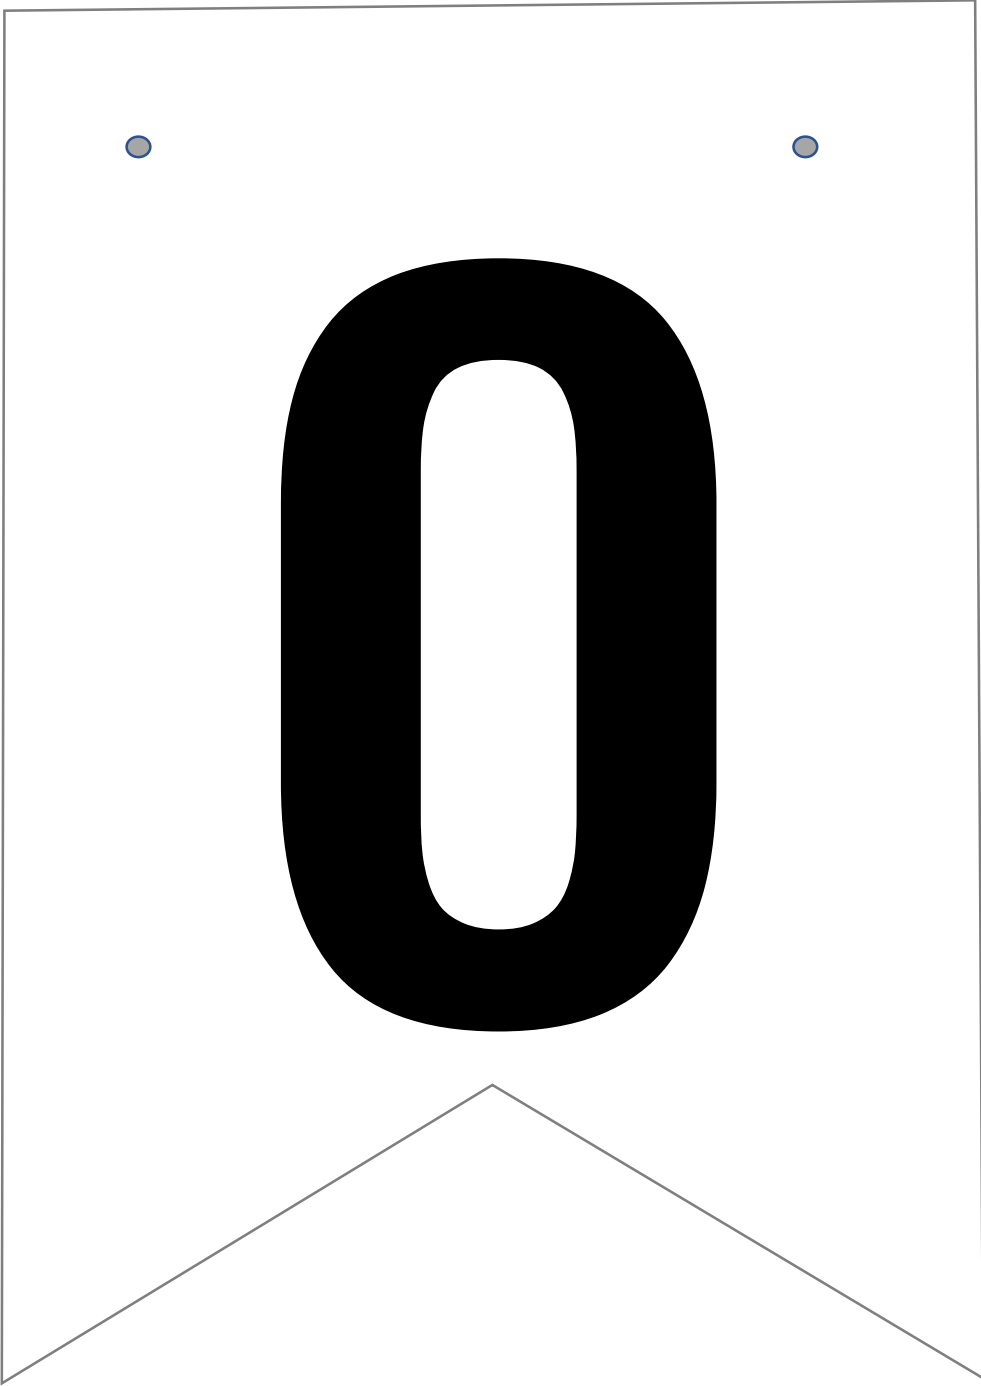

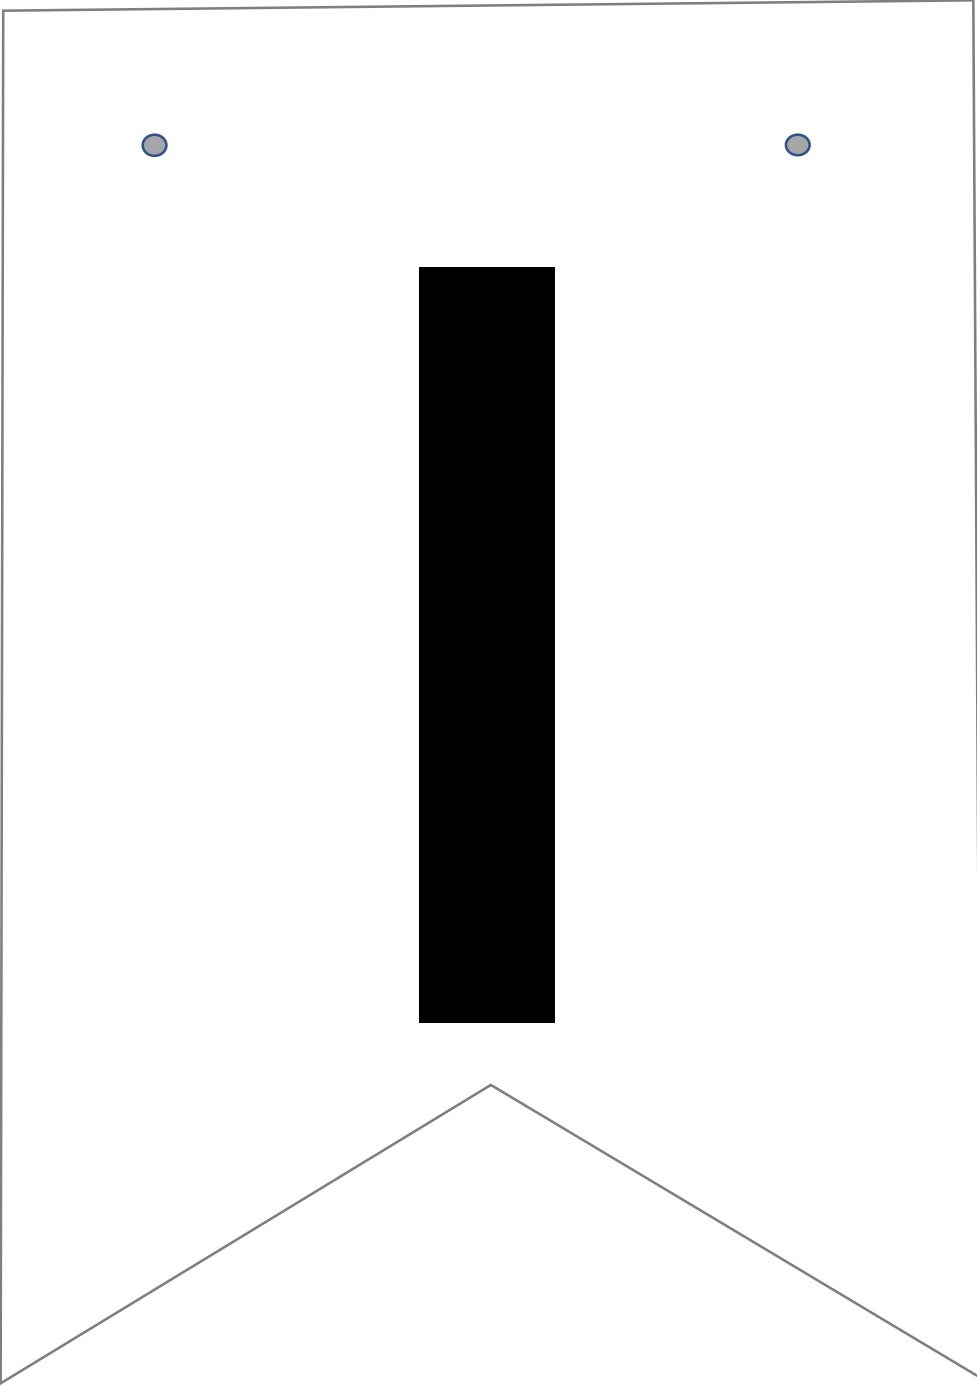

## PROCEDURE:

1. Print pages 3 - 46
  - a. I printed the banner (pgs. 3-6) on white cardstock & the rest (pgs. 7-46) on normal copy paper
2. Cut out individual pictures and pieces with a paper cutter or steady hand
3. Cover bulletin board with paper
  - a. I used kraft paper, but any color will work!
4. Lay out your pieces to ensure they will properly fit on the space. Modify the plan if need be!
5. Thread the "M-I-S-S-I-O-N-S" title onto your ribbon or twine (see pic) and attach using a stapler or tacks
6. Attach the photo collage in the middle of the board using a stapler. Once again, I would be sure to lay out the collage in advance.
7. To the left of the photo collage, attach the photo descriptions and corresponding numbers for images 1 - 11 (all photo descriptions are in order with the photo to which they correlate in this document)
8. To the right of the photo collage, attach the phot descriptions and corresponding numbers for images 12 - 24
9. Attach the LHI contact information, logos and Bible verse at the bottom
  - a. I trimmed the white background on these down a bit; you may decide to do the same
10. Add any extra embellishments (borders, frames, etc.). I used black paper and white & black washi tape
11. Step back and admire your work as you advocate for international missions!
